

Missionary Update

Jeremy and Mindie Tice

Jeremy and Mindie Tice have served with World Partners for over 20 years in Africa and Europe. But this past year God called them to be Missionaries in Residence at Bethel University in Indiana. They bring years of experience in other cultures and Jeremy was a regional leader in Europe.

Jeremy just returned from accompanying some Bethel students who, at the last minute, chose to use their fall break to provide cleanup/recovery for the disaster relief effort in Tennessee and North Carolina.

Please pray for:

*Good placements for our missionary interns - where they can learn as much as possible by shadowing missionaries that are on the cutting edge of discipleship and disciple multiplication.

*Bethel University has a very strong American Sign Language (ASL) program. Several students feel called to go to unreached deaf communities internationally. Pray for wisdom as the Tices help facilitate this incredible calling.
