

Missionary Update

Kevin & Leilani Humble have served with World Venture in Indonesia for decades. They are currently on a one-year home assignment; which they are taking in segments. They are traveling between Indonesia and the US for key times in both places. In the US they are visiting family, fellowships, and prayer & financial partners. Leilani recently had bilateral reconstructive surgery on both her feet.

Please pray for:

- Their missional community in Indonesia to remain enthusiastic and faithful in Great Commission work.
- For their hearts, souls, and bodies as they travel - that they stay refreshed in God's Word and find their strength in Him. That they communicate clearly, passionately, and sincerely. That they are a blessing to those they meet.
- That they keep up with life in Indonesia and the US by trusting in the Lord for the details.
- Full healing for Leilani's feet and function to return.
