

Missionary Update

Sarah Trussell

Sarah Trussell, who grew up attending our church, is serving with TeachBeyond - Latin American Region (Transformational Education Services). She works remotely with a focus on supporting programs - both formal Christian schools all over Latin America and informal education programs, like English institutes, camps, seminaries, etc. In July, she returned from a 6-month sabbatical, in which her focus was: Stop, Pray, Wait, Watch. She was guided to these words to provide boundaries to her time and priorities. She returns to serve part-time (in addition to being a wife and mother), while also directing Tiny Seeds Preschool in Banks, Oregon, where they live. She and her husband have 2 daughters (1st grade & preschool). Please praise God for: A successful year for Tiny Seeds Preschool (10 students and their families). Kindness and support from TeachBeyond colleagues during her season of stepping back. Many different people filled her roles and she is grateful. Re-accreditation for Santa Cruz Christian Learning Center and the ongoing ministry of Puebla Christian School. Please pray for: Wisdom and discernment in her daily activities. Reconnection and clear communication as she steps back onto 2 school boards.
