

## Missionary Update

### Kent & Kim Rasmussen

Kent & Kim Rasmussen have been serving with Wycliffe Bible Translators for over 23 years. Kent attended OSU as an undergrad and was involved with Campus Ambassadors. They have been helping people to develop writing systems in their own languages. Kent developed a program, "A to Z and T" (AZT); which stands for vowels, consonants, and tone. They are currently back in the states from Cameroon, on furlough, and considering big changes: that Kent would focus more on computer programming in the Language Technology Department in Dallas, Texas. And test new ways of working with his AZT tool in several countries - not only in Central Africa. Kent would be traveling more but Kim and the kids will be traveling less. They are sad not to return to Africa just yet, but the potential to accelerate language work and Bible Translation on a global scale seems worth the investment.

Please pray for:

\*Kent & Kim to connect with the rest of their supporters regarding this possible change in assignment. And God's continued guidance.

\*Praise God for the successful graduation of James, their oldest, from the University of Texas. Please pray for him as he is job searching.

\*Please pray for Joel, a sophomore in college and Anna, a senior in high school.
