EASTER SUNDAY

Big Idea: The resurrection of Jesus is the most important event in human history.

- WAS THE RESURRECTION A HISTORIAL EVENT?
 - The first objection is that the disciples _____ the _____ . V11-15, Lk 22:38
 - The second objection is that the disciples _____ the story because they _____ it to be true. V1, Mk 16:11, Lk 24:11
 - A third objection (is not really a serious one) is that Jesus didn't _____ . V5, Jn 19:33
- WHAT MAKES THE RESURRECTION SO IMPORTANT?
 - The resurrection is important because it _____ Jesus' _____ and _____ . Jn 4:25-26, 10:30, 14:6; Mk 14:62; Rom 1:4
 - The resurrection is important because it means a _____ is possible. 2 Cor 5:17; Jn 11:25, 14:6
 - The resurrection is important because it _____ our _____ and _____ our _____ . 2 Cor 4:16, Lk 23:43
