

Missionary Update

Bruce Tissell Serving in North Brazil

1. Pray for the students at the seminary where Bruce is director. Pray for him and the others professors as they try to encourage the students to finish the semester with good attitudes. Pray for God's wisdom as they plan for the next year.
2. Praise God for the safety that God has provided over the last month. God has been faithful through extensive travel, broken down busses, potential assaults and some other difficult travel situations.
3. Bruce and the Brazilian leadership at the seminary will be adding three new extension courses next year. He asks for wisdom as they plan.
4. Brazil is in the middle of an election and as it has been in our own country, there is much dissension, causing splits in churches and communities.
5. Pray for Bruce as he prepares the class of Anthropology. He is hoping to finish the course and find correct resources for the students by the end of November.

A helpful and fun FBC tradition is delivering your Christmas cards to fellow FBC members in the mailboxes in the lobby. Ask an usher to show you where these are! Save postage and bring some Christmas cheer to your friends at FBC!

We have many wonderful children's Christmas books in the church library!
Visit the library after Sunday worship services or Thursday mornings.

ADVENT MISSION PROJECT

For our Advent mission project, we're raising money to help Waffle and Dr. Val Lomilo purchase a tractor for the Ugandan people to scale their farming to meet their food and further economic needs (education, medicine, etc.).

Would you consider supporting this important work this Christmas season?

Our goal is \$7,000. To date, we have raised \$1585. Please mark "Advent Project" on the memo line of your check or envelope.

Thank you!
