

Missionary Update

Leo & Lulu Calva

Leo & Lulu Calva serve with World Venture in southern Ecuador, planting churches and developing leaders. Their latest prayer letter mentions how ministry is not just teaching or passing on information but as he wrote, "serving, crying, cooking, shoulder to shoulder with the attitude of Christ, and respecting the culture we are reaching." They have made the necessary arrangements for their home assignment beginning this fall based out of McMinnville, Oregon. Their son Pablo is in university in Ecuador and their daughter Yanina is in high school. They kindly request prayer for:

- A good transition for them as a family on home assignment in McMinnville, with their daughter attending high school there and their son continuing university in Ecuador.
- That they would find a nice and affordable place in the McMinnville area.
- That ministry in Ecuador remains strong and healthy during their absence.
- That they can renew and recharge their spiritual, emotional, and physical lives.
- That while on home assignment they are able to raise the remaining financial support needed.
