

Missionary Update

Jonathan & Annalyn Guest both served with International Students Incorporated at Oregon State University. Jonathan has been the area director for the Willamette Valley and then was promoted to the Northeast Regional director for this past school year. So, he has been balancing working in two areas of the US and traveling much more. After much prayer they have decided to trial living on the east coast for this next year. They will live in Lancaster, PA and are moving within the next 2 weeks! Praise God a set of grandparents are there.

*Please praise God for how He has worked in and through both Jonathan & Annalyn, and their family, the past 7 years here at Oregon State University and in our church.

*Please pray for their house in North Albany, that they would have help with repairs and find a good renter.

*Please pray for the family - packing up and moving during a busy summer. Their 2 older daughters, Ella & Lydia, are serving with Camp Attitude this next week. Also, for the transition of their girls (Sylvie also) in schooling as well as their son, Caleb, as he will be a freshman at Patrick Henry College in August.

*Please pray for the ministry they started here, Breakfast Bible Study, to continue and prosper as well as their ministry in the northeast – wisdom in leadership and that they would find a church home to be invested and serving in that will support & encourage them.
