

Missionary Update

Dr. Val and Waffle Lomilio

*Serving with Common Ascent Christian Adventure Ministry
And CLIDE Consultancy in Uganda*

Dr. Val is a veterinarian with ties to Corvallis, attending OSU. She and her husband, Waffle, are involved in church planting, discipling new believers, feeding and educating children in addition to Val's veterinarian work.

In a recent letter they praise God for:

- Sending "angels" Jim and Sue, who were suffering the loss of their daughter but after arriving Jim helped in the building of four churches deep in the villages which during the week will serve as Christian Nursery Schools. Sue helped train the teachers and set up curriculum. There are 100 children scheduled to attend. These children have never had the opportunity to attend school.
- A much needed vacation after suffering from COVID and malaria.

They ask prayer for:

- the EDC kids, their 4 teachers, and 4 cooks.
- their upcoming furlough August-Dec./Jan.

THANK YOU THANK YOU THANK YOU! From the Harpels

Chandra and I want to express our sincere gratitude for all the kind words and encouragements shared with us last weekend. The picnic, cards and gift for a few getaway days in Leavenworth were a wonderful send off for us. We have been privileged to share the unique history of these last two years with you. Through it all to the final celebration of the Cole's call, we have learned and grown from you and the Lord. We are going to continue to pray for the church as you serve our Lord and Savior. Blessings in his Name!
