

## Missionary Update

### Campus Ambassadors

Mahala Souza & Luke Lawry are missionary candidates with Campus Ambassadors. They are both working on their prayer and financial support raising in preparation for full-time ministry at Oregon State University.

Mahala found Christ in college through the persistent pursuit from her Christian peers. Since graduating, she has continued to pursue serving the Lord on campus. Her experience in ministry settings and the masters degree she is obtaining in Christian Leadership help her in effectively reaching college students and replicating disciples on campus. She is focused on helping students develop a strong identity in Christ. Please pray for:

- More prayer and financial support partners
- God's direction and guidance in getting her ministry going at OSU
- That the Lord would provide student leaders for the club in this coming year

Luke grew up on the mission field in Peru with parents that were Wycliffe Bible Translators. This helped develop in him a heart for international students and an ability to relate well with them. He initially pursued a career in IT and tech support before responding to a call to ministry. He quit his job in 2020 to attend Corban University and began working with Jason Pittman and international students. Please be praying for Luke and the following requests:

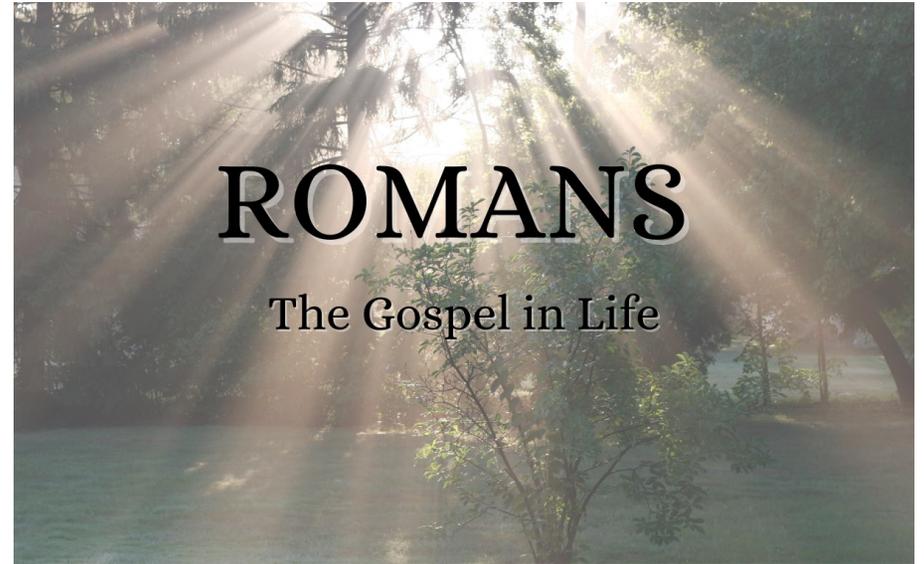

- More prayer and financial support partners
- God's direction and guidance in getting his ministry going at OSU
- He is experiencing issues with his car so pray that they get resolved
- Pray for the students he is meeting with that they may see Christ in him

## Men of FBC Care Day

The Men of FBC meet every second Saturday of the month in the church conference room at 8:00am. We talk about life initially, pray for those we serve, then go out to assist people in whatever way we can.

Our next Men of FBC Care Day is Saturday, May 11. If you like that scope, send an email to Rolly Kinney, jrolly@afiassociates.com to receive an email that week of requests we have received.
