

Missionary Update

Jeremy and Mindie Tice: World Partners, Europe

Jeremy and Mindie have served with World Partners since they left Indiana. Jeremy grew up here in Corvallis, attending First Baptist with his family. He and Mindie, along with their three children have served in Guinea, Senegal, France and Germany. Their World Partners leadership team has asked them to take another leap of faith. This next leap of faith is going to take them all the way back across the Atlantic, having them land in Mishawaka, IN again. They have been asked to be the new World Partners Missionaries in Residence at Bethel University. The average age of missionaries is getting higher and higher while the younger generations are not sensing the call and going. This move will take place the summer of 2023. Please pray for them as they anticipate this move. There will be significant adjustment for them and their children.

Pray that God will go before them and use them to stir up a heart for the world in the hearts of the students at Bethel University.

Thank you for praying.

THANKSGIVING

Are you able to reach out and invite someone to join you for your Thanksgiving celebration? There may be a single, couple, senior or college student who would love and appreciate an invitation! Talk with the LORD and your family about it! Maybe this year you can increase the seating a bit around your table with those who need some love and encouragement.
