

Missionary Update

Leo & Lulu Calva serve with World Venture in Ecuador as church planters and leadership development. Although they are on home-assignment for a year updating supporters and developing more support. In October they were in Carson City, Nevada as well as Myrtle Creek, Oregon, and Washougal, Washington. Also, Leo started teaching a master's level online class of the Pauline Epistles at Rio Grande Bible College. He has 7 students: 2 Venezuelan, 2 Nicaraguan, 2 Mexican, and 1 Chilean.

Please pray for:

- Son Pablo who is in his second year of college in Ecuador.
- Daughter Yanina is attending youth groups in Lafayette and McMinnville (praise God she enjoys the fellowship).
- The Pauline Epistle class - Leo and his students increase in their knowledge and love for God.
- Ecuador - has continued shortage of electrical power - both water and electricity are rationed.
- Safety for them as they travel around to update and more to join their prayer and financial teams.
- Praise that churches in Ecuador are growing so much that they need more land to build places for worship for those congregations.
