

Bruce Tissell - WorldVenture: Brazil

Primary Ministry Focus:

Recent ministry has included caring for Brazilian pastors, students, and their families during a season marked by illnesses, surgeries, and accidents, providing encouragement through hospital visits and prayer. Ministry has also focused on celebrating God's faithfulness through the 80th anniversary of WorldVenture in North Brazil, with special events, church visits, and seminary gatherings that highlighted the Lord's work over the past eight decades. Preparations are now underway for the 40th anniversary of the Seminary in Teresina this October, as we continue equipping church leaders and strengthening the churches of North Brazil.

Prayer Requests:

- Pray that the remaining documents needed for the sale of WorldVenture property will finally be released after months of bureaucratic delays. Praise God that progress is being made and that the process appears to be moving forward.
- Praise God for His protection during extensive ministry travel throughout the states of Piauí and Maranhão. Pray for continued safety, good health, and that God will use each trip and every opportunity to teach and encourage churches and leaders.
- Praise God for the celebration of 80 years of His work through WorldVenture in North Brazil. Pray that God will continue to strengthen and grow His church in the region for many years to come.
