

## DAY 2 – *The Power of Honor*

### SCRIPTURE TO READ:

Philippians 2:3

*Optional Additional Reading: Romans 12:10; Mark 10:43–45*

### THINK IT THROUGH:

Honor is not flattery—it's recognizing the worth God has placed in someone. When Paul tells us to "esteem others better," he isn't calling us to belittle ourselves; he's calling us to elevate others.

Honor is a relational posture of surrender. It means:

- I don't always need to win.
- I don't always need to be first.
- I don't always need to be right.

Jesus modeled this by washing feet, welcoming children, and serving those who would later deny Him. Honor is the way of Christ.

### PUT IT INTO PRACTICE:

Choose one relationship where you tend to protect your pride. Today, choose humility. Listen longer. Speak gentler. Yield where you normally push.

### PRAYER FOR TODAY:

"Father, reshape my heart so I can honor others the way Jesus honored others. Remove selfish ambition and give me a spirit of humility." Amen.

### GO FURTHER

Write down the names of three people you often overlook. Ask God to help you see them the way He does.
