

DAY 6 – *Reflection & Preparation*

SCRIPTURE ANCHOR:

Romans 12:13, 20; Philippians 4:11–13; 2 Corinthians 9:6–8

THINK IT THROUGH:

- What has God shown me about how I view money and ownership?
- Where have I realized I've been trusting my provision more than my Provider?
- Which habit—earning faithfully, managing wisely, saving intentionally, giving generously, or resting contentedly—needs the most surrender?
- How can I model financial peace and generosity to those around me?

PRAYER PROMPTS:

- Thank God for His provision and faithfulness in every season.
- Confess any areas where fear or greed have controlled your decisions.
- Ask the Holy Spirit to cultivate gratitude, generosity, and trust in your heart.
- Pray that our church family would live free from financial fear and full of financial faith.

GO FURTHER

Take a few quiet minutes to pray over your budget or finances this week. Write “Yours, Lord” at the top as a reminder of surrender.
