

# INVISIBLE INK

## SUPPLIES

*Paper*

*Paper towel*

*1 tbsp of 70% or more alcohol*

*1/8 tsp of turmeric powder*

*2 1/4 tsp of baking powder*

*3 tbsp of water*

*2 small paper cups*

*Cotton swabs*

*Cotton ball*

## INSTRUCTIONS

*\*Parents, please note turmeric does stain, so place a paper towel or a tablecloth on it. Wear clothes you don't mind getting messy in.*

*After you have gathered all your supplies. Mix 1 TBSP of rubbing alcohol and 1/8 tsp of turmeric powder in one of the cups. Slowly mix this mixture with a cotton swab.*

*Then mix 2 1/4 tsp Baking soda and 3 TBSP of water until the mixture is combined.*

*Place a cotton swab in the baking soda mixture, then write JESUS on the white sheet of paper. After you're done writing, set the paper aside to dry.*

*Once the paper is dry, take the turmeric mixer and place the cotton ball in it. Lightly dab the cotton ball on the paper to see your secret message.*

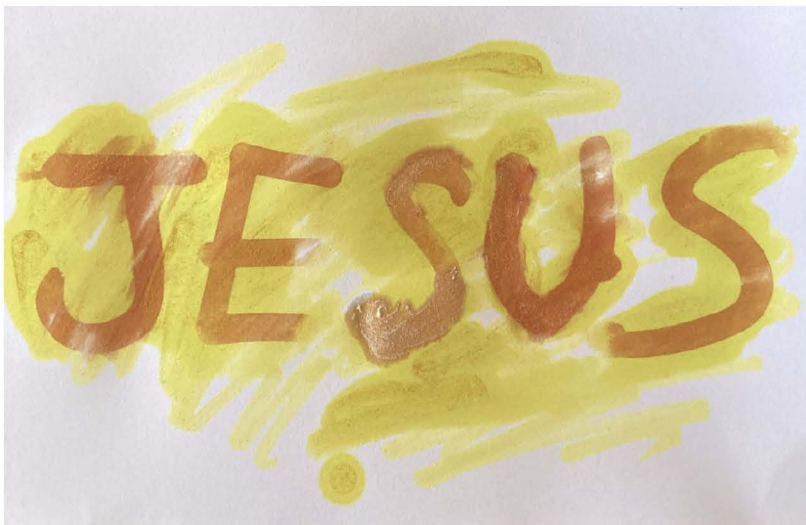

*Don't forget to clean up your area and wash your hands when you are done with your experiment.*

## EXPLANATION

*At first, we could not see the name Jesus on the paper. We know we wrote it, but we could not see it. Once the paper dried, we placed the turmeric mixture over the paper and found the word Jesus appeared. We may not see Jesus with us, just as He was not physically there on Sabbath Saturday; however, the disciples had to trust what Jesus said, that He would be raised on the third day.*
