

THE BOY WHO WAS HEALED

In Luke 9:37-45, a father begged Jesus to help his son because an evil spirit was hurting him. The disciples tried to make it leave, but they could not. Jesus said they were not trusting God the right way, and then He commanded the evil spirit to leave — and it did! This shows us that faith matters, and when we don't trust God, we won't walk in the authority He gives.

CHILDLIKE TRUST

Jesus later teaches that childlike faith is the standard (Matthew 18:3). In Matthew 17:19-20, Jesus explains that the disciples could not cast out the demon because of their unbelief — showing us that trusting God is how His power works through us. The more you know God, the more you trust him!

1

FAITH MAKES THE DIFFERENCE

Jesus said the problem was unbelief (Matthew 17:19-20). When we truly trust God, we can walk in the authority He gives.

2

KIDS' FAITH IS POWERFUL

Jesus says adults must have faith like children (Matthew 18:3). That means your simple, real trust in Jesus is exactly what He is looking for.

If Jesus lives in you and gives His authority, what would change if you truly believed He could use you to tell darkness to go?

When fear tries to speak, will you agree with fear — or will you speak what Jesus says and trust His power working through you?
