

WELL-CHILD POLICY

To help protect the health of all children and volunteers, we ask that children who are showing signs of illness not be brought into the Garden Kids environment. Children must be fever-free for at least 24 hours before returning.

We appreciate your partnership in keeping our community healthy, and we look forward to welcoming your child back as soon as they are well.

Please keep your child home if they are experiencing any of the following:

- Any fever
- Vomiting
- Diarrhea
- Unexplained or contagious skin rash
- Bleeding or severe diaper rash
- Chronic cough
- Runny nose with yellow or green discharge
- Eye or ear infections
- Pink eye
- Parasites (nits, lice, mites, ringworm, etc.)

Thank you for helping us create a safe and healthy environment for everyone.
