

TWR Canada assists the church in making disciples of all people by sharing Christ through media across the globe. Your prayers are crucial to the effectiveness of this vital ministry as it proclaims the gospel and provides access to discipleship resources to those in the hardest-to-reach places.

Prayer Requests

- For the people of Iran who are navigating intense political and social unrest - that internet blackouts would end so Persian-speaking believers can access biblical teaching and engage our digital team for follow-up and much needed encouragement
- For listeners in Cuba who are facing extreme food and fuel shortages amidst a worsening financial crisis - that radio programs and content being shared through digital apps like WhatsApp will encourage believers and bring hope to precious lives across the island
- For the more than 2,600 Chinese students enrolled in the SOTA seminary training program who are being equipped through digital platforms to lead house churches in China

Springfield Baptist Church exists

- to lift up the Lord by praise and adoration
- to build up the believers in Biblical faith
- to love the lost and lead them to faith in God
- to bind up the broken through social action, so that we can bring glory to God until Jesus Christ returns for His church
