Church Membership - There are a lot of misunderstandings and misgivings surrounding this topic. Maybe you are interested in being a member of our church and don't really know what it means. Maybe you are already a member of our church and don't really know what you are supposed to do now. Over the course of this study we are going to look at the biblical principles that shape our practice of church membership at SBC. The hope is that this study will help you understand what biblical church membership means for you and how you can function in as member at SBC.

Committee Leaders – Reminder to be working on your **reports** for the Annual Operations Meeting. Please submit to Marcie by January 29.
