

The Bible answers the most fundamental questions about who God is, who we are, and why we need Jesus. The answers to these questions impact how we live our everyday lives. Biblical literacy involves a deeper awareness of the meaning of what is in the Bible - how God's grand narrative unfolds from the first words in Genesis 1 to the very last words of Revelation, how there's one common thread that knits it all together, that there is meaning behind every word and every story God chose to include in His book of instruction. At SBC we want to approach the Bible for what it is: alive and active, God's living Word (Hebrews 4:12). To encourage this, we will again be sharing a **reading plan** in the bulletin in 2026. If you would like to receive the weekly plan via email, please contact Marcie.

Springfield Baptist Church exists

- to lift up the Lord by praise and adoration

Please pray that we all would shine bright in the darkness to unsaved family members. Pray that we would be a witness to Jesus exercising both truth and love.

Please pray for those who are celebrating Christmas and the birth of their Saviour with a sense of heartache over the absence of a loved one. Please pray that God would give them his comfort.

Prayers for Nigeria:

Across Nigeria Ministries asks that people pray for the Boko Haram militants. Ask that God would open their hearts to the gospel and that God would cause a great move of His Spirit among them throughout Northern Nigeria.

Nigeria persecution is intensifying and Across Nigeria asks that we pray for those who received Christ at an evangelistic meeting and for the five young men who were baptized.

That God would protect our underground churches and Bible studies.

To pray for all the persecuted Christians in our refugee facility and programs.
