

Prayer Requests from John & Jacky Taylor:

Praise God for:

- the opportunity for John to attend the ABWE Global Leadership Forum in Spain in January, which presented a biblical model for conflict resolution – unfortunately, Jacky had to miss this trip due to an illness
- another good week teaching at Word of Life in Owen Sound in January, in spite of lots of snow and closed roads – this is a great ministry with a good one-year Bible program
- safe travels in February as we spent time with our daughter & son-in-law in the Philippines, spoke to a group of Chinese pastors & preached at a Chinese church
- allowing us to spend four days in March with B & E, our partners in Indonesia - they have an amazing ministry to Muslim refugees, including a church plant with over 100 former Muslim believers, and 20 weekly evangelistic Bible study groups
- excellent reports at the ABWE International Board meetings in Pennsylvania last week - while John traveled to Harrisburg, Jacky stayed in New York for a few days with our beautiful new grandson

Please pray for:

- the Ukrainian people, who are suffering greatly during the coldest time of winter – pray also for additional funds needed in the Ukraine Crisis Fund, and that God would lead many Ukrainians to Christ through the efforts of our partners
- Here is an excerpt from our teammate in Kyiv:
*75% of the heat and power in the capital is destroyed, with hundreds of missiles and thousands of drones haunting the empty skies. On the battlefield, the enemy is not advancing so they terrorize civilians far from the front.
Thousands of apartment buildings are without power in freezing temperatures and will not be fixed until spring. Generators are humming in courtyards to try to keep pipes from freezing. Our area is one of the hardest hit. Many schools have been closed for weeks, and emergency crews work overtime to repair the damages. We are limited to 4- 6 hours of electricity per day. But God is here.*
- health and stamina during this very busy time, and for John's back to heal to a more manageable level
- our London office team – we have been short-staffed due to transitions and illness during one of our busiest times
- John as he catches up after being away from the office for most of the past month
