The Bible answers the most fundamental questions about who God is, who we are, and why we need Jesus. The answers to these questions impact how we live our everyday lives. Biblical literacy involves a deeper awareness of the meaning of what is in the Bible - how God's grand narrative unfolds from the first words in Genesis 1 to the very last words of Revelation, how there's one common thread that knits it all together, that there is meaning behind every word and every story God chose to include in His book of instruction. At SBC we want to approach the Bible for what it is: alive and active, God's living Word (Hebrews 4:12). To encourage this, we will again be sharing a **reading plan** in the bulletin in 2026. If you would like to receive the weekly plan via email, please contact Marcie.
