Mission of the Week: International Justice Mission

- Praise God for a good week together at VBS, for the opportunity to share the good news, for people who served patiently and willingly, and for many kids who listened well and participated enthusiastically.
- Pray for all of those involved in planning for Family Camp and for upcoming fall ministries.
- Pray for our church family – for the safety and enjoyment of the summer, for opportunities to be salt and light in our communities, for those facing struggles and difficulties.
- IJM: Praise God for survivor leaders in El Salvador, who are gaining recognition as trusted advocates for women and children affected by violence and as valued partners in strengthening access to justice. During the launch of the Local Network Against Gender-Based Violence's new strategic plan, survivor leaders courageously shared their stories and vision, including Alejandra Duarte, who testified that her life is defined not by violence but by hope and perseverance. Praise God for growing partnerships between survivors, community leaders, and justice institutions that are helping more survivors find protection, healing, and a path toward justice.
