Bible Story: Jesus Heals the Blind

Verses To Read: Matthew 9:27-31

## Blind Sensory Bag

### Materials Needed:

1. Empty bag
2. Random household items (5-8 total)
3. Blindfold

### Instructions:

1. Put all the items you collected in the bag.
2. Blindfold your child.
3. Have them reach in to the bag and pull one item out at a time. Have them guess what the item is by just touching it.
4. Repeat until all items are out of the bag.
5. Discuss how hard it was to guess some of the items while blindfolded. Talk about how great it is that Jesus healed the blind men and allowed them to see again.
