

Begin with the End in Mind

What do I want God to say about my faith? What step do I need to take today to get closer to that answer?

What do I want my spouse to say about me? What step do I need to take to get closer to that answer?

What do I want my kids (biological, adopted, step, or spiritual) to say about me? What step do I need to take? What step do I need to take today to get closer to that answer?

Begin with the End in Mind

What in my life do I need to love a great deal less? What step do I need to take today to get closer to that answer?

How is technology helping me become a better disciple?

How is technology hindering me from becoming a better disciple?

What steps do I need to take to limit distractions?
