

# 21 DAYS OF PRAYER

## In This House, We Pray First

For 21 days, we're committing as a church family to seek God together through focused prayer. For the final seven days, we're adding fasting to intensify our dependence on Him.

This isn't about religious obligation. This is about building homes and a church where prayer is our first response, not our last resort. Where we bring everything to God before we try to figure it out on our own. Where talking to God is as natural as talking to each other.

In this house, we pray first. Not because we have to, but because we get to. Not because it's a rule, but because it's a relationship. Not because we're religious, but because we're desperate for God.

Over these 21 days, you'll pray for every aspect of our church family. Some days will focus on specific ministries or groups. Other days will call you to pray for breakthrough, direction, and God's power. Each prayer builds on the last, creating a foundation that can sustain us all year long.

### How to Use This Guide

Each day focuses on a specific area of prayer for our church family. Don't rush through these prayers. Sit with them. Let the Holy Spirit guide you into deeper intercession. Take time each day to pray specifically for that area, asking God to move powerfully in the lives of those mentioned.

**January 11-24:** Prayer Focus

**January 25-31:** Prayer + Fasting (See Fasting Guide)

The fasting week includes prayers that are particularly strengthened by fasting: personal breakthrough, spiritual warfare, God's provision and direction, and kingdom advancement.
