# FROM THE CREATIVE DIRECTOR

Greetings!

This has been a great semester full of wonderful memories and learning experiences. I am so thankful for all our teachers and how they minister to our students and families. We pray that each final performance and recital is filled with joy and celebration. Our students have given their heart and soul into growing their talents this year, and they will truly be on display at their final performances of the semester. We hope that you will join us this summer and next Fall as we have many exciting things planned! May the light of Jesus shine as they use their gifts and talents for His glory!

“Let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven”
