

Impress them on your Children

Family Devotions based on Sundays lesson

May 2025 - Mothers in the Bible

Week 1 - Hannah - 1 Samuel 1

- What are the most important things a Mom teaches her children?
- Hannah prayed for a baby and promised to do something that she thought would be the most important thing. What was it?

Activity

Go around the circle and have everyone tell Mom what they are thankful that she taught them.

Week 2 - Jochebed - Exodus 2

- How did Jochebed protect Moses?
- Why does our Mom do things to protect us?
- What should we do when Mom is trying to protect us?

Activity

Gather a bunch of different materials and have a family competition to make the best floatable basket. Make the baskets and then see if they float. Start with them empty and then put things of different weights to see how long they can stay floating.

Week 3 - Elizabeth - Luke 1 & Matthew 3:1-4

- What do you think camel's hair feels like and looks like?
- Would you eat a locust?
- Is there anything you can think of that would make your mom stop loving you?

Activity

Find some ways this week you can show your Mom you love her. Think actions, not words.

Week 4 - Mary - Luke 1:29-33

- Has your mom ever told you that she thought you could do something that you didn't think you could do?
- As Mom tries to encourage you to try things to find your talents, what should our response be?

Activity

Make a plan to pick out one day a month to honor Mom. On those days, do her least favorite chore, fix or buy her dinner, spend time talking to her and listening to her. Play her favorite game.

These commandments I give you today are to be

on your hearts. Impress them on your children.
