Global Ministry ~ Faith Promise Partners

Pray for Israel as they celebrate 3 Fall Feasts appointed by the LORD in Leviticus 23:23-44 (Rosh Hashanah, Yom Kippur, Sukkot), that:

- During this season of self-examination and seeking atonement the Jewish people would see Jesus as the perfect and complete sacrifice for their atonement.
- Jewish and Arab believers in Israel to be bold in their witness of Jesus through word and action and that many would be saved.
- As Israel enters a time of elections they would not rely on government as their deliverer, but they would see God as their deliverer. Pray also for elected officials to become followers of Jesus.
- In celebration of how God dwelt with Israel in the wilderness in the past Israel would see God's longing to dwell with them again, and that through believing in Jesus they will long for His return.
