Taking Ownership series

by Bill Aumack

Numbers 12

A good leader is humble.

If you are following God and are faithful to him, He will protect your leadership.

A good leader listens and has empathy.

Reflection: What kind of leader are you? Are you humble, and do you have empathy? Or is it my way or the highway?

Challenge: If you are not 100% following God, start working toward that goal. Start asking God how to turn over EVERYTHING to him.
