Daniel 10: Standing Firm With God series

Daniel 10

God affirms Daniel.

Where has God comforted and encouraged you when you are struggling?

Daniel is in the middle of a spiritual conflict.

Reflection: Where in your life have you been influenced and it had a negative impact on your life?

Challenge: Write down those negative influences that you have reflected on, and seek God in prayer to give you a plan on how to deal with them, and follow through with the plan.
