

There's Only One Way to Heaven  
by Ethan Morales

Good morning, boys and girls Happy Sabbath. I hope you guys are having a fantastic weekend and a good Happy Sabbath.

For our children's story today, we're just going to open up our book to John, chapter 14, verse six, where it says, I am the Way, the Truth and the Life, no one can come to the Father except through me. So the Bible verses telling us pretty much that there's only one way to get to God, right?

So to illustrate that today, boys and girls, I have a little illustration here, where we have a number of dots. Now, each of these dots represents a way to get to God. Now in the Bible, it just says that there's only one way so there's, there's more than one dots here. So let's turn this over, see how many there are? Two, okay, still not there, for not there. And then finally, one, people are going to be telling you that there's all of these things you need to do in order to get to know God. That's incorrect. All right. So there aren't, you know, six ways. There aren't three ways, not four ways. There's only one way to get to God. So remember that moving forward, boys and girls can continue your strengthen your relationship with God. So that you may get to know.

Alright, let us bow our heads and close for a word of prayer. Dear Heavenly Father, Lord, thank you so much for another day of life. Lord, I ask that you please be with these children. May you please be with their minds, their words, their hearts, Lord, may you continue to guide and protect them as well as their parents, Lord, their guardians and their loved ones, Lord, continue to guide and protect us and please forgive us of our sins. We ask all these things in the name of Jesus Christ, amen.

Bye boys and girls, we will see you next time for children's story.
