Matthew 24
1 Thess 4:13-18
1 Cor 15:51-58

“Don’t be deceived”

Jesus did not share a specific plan with the disciples. He prepared them to face the coming days of adversity with faithfulness and courage.

View the signs as markers.

The second coming will be a global event you cannot miss.

Just because we are watching and waiting does not mean that we should be passive.

Reflection: Are we watching for the signs, or are we watching for the Savior?

Challenge: Draw closer to Jesus. Encourage one another. Steward what God has blessed you with.
