

# What About Us?

## Love Your Neighbor(hood) series

Mark 10:13-16

We need to make time for the children!

Matthew 18:1-9

What can I do?

1. Pray for the kids.
2. Learn their names.
3. Help out in children's ministries.

Reflection: Do you REALLY love the children? Enough to put aside your important work and make some time for them?

Challenge: Get involved with some of the kids. Be a good influence. Be an adopted aunt or uncle or grandma or grandpa. Look for ways you can help with the children ministries. AND learn at least one child's name this week.
