### Job: View from the Ashes series

#### by Bill Aumack

Job 11:1–20; 12:1–12

Job 11:1-6

Zophar continues building on the previous arguments by being arrogant and showing a lack of empathy.

Job 11:7-12

The Accuser mixes truth with lies.

Job 11:13-20

When people suffer around us, we try to help by explaining the why, instead of helping by just being present.

**Reflection:** Are you present and empathetic for your friends? Or do you try to ‘fix’ the situation?

**Challenge:** Recognize that you don’t know everything. Look for a situation this week where you can practice being empathetic to someone else’s situation.
