## Daniel 2: Standing Firm with God series

### Chris Famisaran

Daniel 2

What does it say about God who shares a dream with a non-believer?

Daniel and his friends responded to this issue with prayer.

Daniel shows the sovereignty of God.

God's reach is far greater than we can imagine.

**Reflection:** Where has God surprised you by working in your life in unexpected places?

**Challenge:** Pray daily that God will help you navigate and minister in the challenging world that we live in.
