

Don't Look Back

Holy Moments series #1

by Chris Famisaran

Matthew 1:18-25

What is the most memorable moment of your life?

Living by faith means we do not always understand why things happen the way they do.

Do you prefer the comfort of certainty, or the prospect of uncertainty?

Reflection: Where is God calling you to be more faithful in your walk with God?

Challenge: Pray for discernment and faithfully move forward with God's leading.
