

AI – Is it the Future or the End?

We can't expect AI to spread Jesus' light (and love) for us, we need to do that ourselves.

7 Stages of AI Evolution

- Rule-Based Systems.
- Context Awareness.
- Domain-Specific Expertise.
- Reasoning Machines.
- Self Aware Systems or Artificial General Intelligence.
- Artificial Superintelligence.
- Singularity and Transcendence.

Revelation 1:7

Acts 2:14-21

Reflection: Are you worried about things you can't control? Or are you trusting in God's word?

Challenge: 1. Learn a little about ChatGPT and see what the hype is all about. 2. Put extra effort into human connections and relationships. People point other people to Jesus.
