

Daniel 3: Fired Up

Standing Firm with God series

Bill Aumack

Daniel 3

Does it say anywhere that the image looks like King Nebuchadnezzar? NO!

Is your relationship with God such that you would do something like the three Hebrews did looking certain death in the face?

Do you think the 3 Hebrews could see the angel?

Reflect: Are you willing to take a dangerous, potentially life-threatening, stand for God?

Challenge: Work on your relationship with God so that you can say, “even if he doesn’t save me, I will not bow.”
