

Forgiveness & Redemption

Titus 3:3-9

The past cannot be changed, but you have a choice of how to move forward.

You are valuable in God's eyes.

To be redeemed & reborn is an opportunity to start with a clean slate.

Reflection: Where in your life have you made a decision, or taken action that you regret?

Challenge: Take that decision/action in your life that you regret, and give it to God as we take part in communion.
