

# The Names of God series #1

## Yahweh & Jehovah

### By Chris Famisaran

Genesis 2

Genesis 15

Jeremiah 24:7

Yahweh means "To Be" or "He Who Is"

The name Yahweh appears roughly 6000 times in the Hebrew Bible.

The original Hebrew alphabet only had consonants.

Yod He Waw = YHWH.

Jewish believers revered God's name Yahweh so sacred that they would not even utter it, instead using the term Adonai which is translated into LORD.

Are the names Yahweh and Jehovah the same?

**Reflection:** Do I treat God's name in my thoughts and with respect and reverence?

**Challenge:** Pray and acknowledge God as your Lord and Savior through various different names such as Lord and Adonai.
