

Sharing To Make It Better

By Susana Martinez

Happy Sabbath boys and girls Good morning. It's my opportunity once again to bring you the story this Sabbath. The book I have is called because of an acorn. In this book talks about how we're all connected, how we all need each other, okay.

Because of an acorn, a tree.

Because of a tree, a bird. You see where the bird is going?

Because of a bird, a seed.

Because of a seed, a flower.

Because of a flower, a fruit.

Because of a fruit, a chipmunk.

Because of a chipmunk, a snake.

Because of a snake, a hawk.

Because of a hawk, an acorn.

Because of an acorn, a forest.

A little acorn can build a forest. Now imagine if we shared Jesus love. If we shared his mission to everyone, then that little acorn can become a forest. Everyone will know about Jesus's love. Wouldn't that be a great place where everyone knows about Jesus love, and everyone can have a blessed life. And everyone will know about what Jesus

did on the cross for us. That would be a beautiful place. Now, just like this book, it tells us that we're all connected boys and girls. And we all need to make better choices so that we make this earth a better place not just for us, but for everyone around us. So don't forget to be like this little acorn, and share Jesus's love so that the forest or Jesus's love can grow bigger, and everyone will get to know who he is. He Let's bow our heads boys and girls to pray.

Dear Heavenly Father, we thank you dear Lord once again for the opportunity you've given us to be here and worshiping you dear Lord. Help us to be like this little air acorn and become a big forest by sharing your love with others. Help us to be willing to share what you've done for us. And always help us to be strong and be an example to those who surround us for we pray in Jesus name. Amen.

Bye boys and girls.
