

# Loving Others Through Jesus' Eyes

## Christ Centered series week 2

### by Chris Famisaran

Jesus is the ultimate expression of love.

John 13:34-35

“As I have loved you” is the impetus to love others.

How did Jesus love others?

1. Humbly served people
2. Kindness
3. Healed people
4. Restored and fought for those who were oppressed and hindered
5. Taught & mentored people
6. Sacrifice himself for others

Would your life change if you were to model all of these attributes Jesus passed on to us?

**Reflection:** Think of and write down 1 way you can practice and exercise each of these examples to love others.

**Challenge:** Continue to pray for your 12 people and live out the examples of love Jesus exemplified in the Bible.
