

Pray

by Susanna Martinez

Good morning boys and girls. It's my opportunity once again, to read a story for you. Now I just got this book. When I read the title, I was like, I think our children at our church would really like to hear this story. It's called, when I talked to God, I talk about you. Now pay attention boys and girls, because we know that through prayer is how we talk to God. Right? Okay, I hope you enjoy it. Pay close attention to the beautiful illustrations. Okay.

When I talk to God, guess what I do? It's really quite simple. I talk about you. I pray for the day that you would arrive, I dreamt of your smile and the colors of your eyes. You're sprouting like a weed Kiss by the sun. I love hearing your giggles. You're so silly, and fun. When I talk to God, I talk about you. Making first friends and learning to share showing your kindness and saying you care. You're such a great helper, and the best listener to always thinking of others, and what you can do. I'm proud of how brave you're learning to be. You can do anything, if you believe. When I talk to God, I talk about you. Some days you're calm, taking it slow. Some days you run on your mark, get set, go. There are days you'll have questions, some big some small, a hope or a wish. There's a plan for us all. When I talk to God, I talk about you. But did you know that you can talk to God to your prayers are heard day or night? God's by your side? A warm, safe, light. Pray God guides you in all that you do. And blesses the ones who love you to. Tonight as you sleep so cozy and still got yours Your prayers and always will. You're my sweetest prayer, a dream come true. You're held in love and made made it to when I talk to God, I talk about you.

Now boys and girls remember the importance of prayer. I know mommies and daddies are constantly praying for you. So is grandma and auntie and grandpa and uncle. Everyone always prays over you. But you can do the same thing to pray for them to speak in a prayer. Let's bow our heads. Let's put our hands together.

Dear Heavenly Father, we are thankful, dear Lord, that we always have people around us that pray for us. Help us dear Lord to rely on prayer because we know

you will always be with us, no matter what. Thank you for being such a loving God. keep us safe and always protect us. For we pray in Jesus name. Amen.

Bye boys and girls till next time you
