- Isaiah 40-66 - A Suffering Servant

They were generous with their time

They were generous with their resources

They were generous with their curiosity and attention

**Reflection:** Am I paying enough attention to God and His Word? Am I curious enough to read it and see what He says about himself?

**Challenge:** If necessary, give up something so you can spend 10 or 15 or even 30 minutes reading the Bible. Stop and be curious. There's no rush. Read it and let the Holy Spirit help you understand it.
