

Education Sabbath

Faith And Learning

By Chris Famisaran

Deuteronomy 6:1-9

Proverbs 1:5, 7

2 Timothy 3:16-17

Matthew 28:19-20

Life is a commitment to faith and learning.

Learning begins at home.

Never stop asking why.

Critical thinking is a necessary skill to learn and nurture.

Pass the wisdom down.

Reflect on what you learned and record it.

Reflection: What in your life you can learn and grow?

Challenge: Spend 10-15 minutes reading or learning a new skill everyday this week.
