

# Should We Throw Out The Old Testament?

## Reading the Bible with Purpose series – week 2

### by Bill Aumack

If you want to read the Bible with purpose, read the Bible purposefully.

Scholars generally estimate that Jesus fulfilled between 300 and 570 Old Testament prophecies.

Jesus and the disciples believed the Old Testament has value.

God didn't burn up the Old Testament when Jesus died, he just ripped the curtain.

2 Timothy 3:16, 17

We should never dismiss the Old Testament.

**Reflection:** Have you been intellectually honest and done the work to determine if what you believe and practice is in line with the Bible? Or do you just do what everyone else does?

**Challenge:** Pick one thing and start your study on it. Read both sides of the issue. Study the verses that people use to support and to oppose. Make sure you have a firm foundation.
