

Why Do Bad Things Happen to Good People?

by Bill Aumack

Evil is real.

The Bible calls the Devil the Prince of this world.

John 12:31, 14:30, 16:11

2 Corinthians 4:4, Ephesians 2:2, 1 John 5:19

Jesus doesn't just say it, He acts like Satan is in control.

Matthew 4:1-11

Genesis 3

We need to stop blaming God for things that the Devil is responsible for.

1 John 1:5

Romans 8:28

Reflection: Are you blaming God for something that He was not responsible for causing?

Challenge: Ask God for the wisdom to recognize his moving vs the work of the evil one. AND allow God to use everything that happens for his purposes.
