Galatians 2

Paul is big on authenticity and authority

A person is not justified by the works of the law, but by faith in Jesus Christ

Once you're dead, you're dead to everything, including the law.

If we could be made righteous by the law, why did Jesus die?

The law cannot save, so we die to the law and put all our faith in Christ's righteousness and his death on the cross.

Reflection: Have you died to the law and yourself and invited Christ to live in you?

Challenge: Write down your top 3 to 5 goals/dreams/desires. Put a check next to it if it will keep you pointed to the North Star. Put an X next to it if it won't or has the potential to impede you as you follow the North Star.
